Game Developer / Software Engineer

EXPERIENCE:

Amazon Web Services, California — *Software Development Engineer Intern*

May 2024 - August 2024

- My internship at AWS exposed me to cloud services, documentation writing, and also utilized my knowledge of Python, TypeScript, and Git version control to complete my Intern project.

Albright College, Pennsylvania — *Teaching Assistant of the Computer Science Department*

August 2023 - May 2025

- I have helped teach the Foundations of Computer Science courses at Albright College for four full semesters. This covered languages such as Python, Java, C++, and concepts like Object-Oriented Programming (OOP) and simple data structures.

U.S. Army Reserve — *Information Technology Specialist*

May 2019 - May 2025

- While serving, I spent one year overseas. In that time, my team and I provided communications to our command team so they could oversee and talk to other teams that were setup in different countries. This made use of my networking knowledge along with troubleshooting and customer support skills.

EDUCATION:

Pocono Mountain West High School, Pennsylvania — *High School Diploma*

August 2014 - June 2018

Albright College, Pennsylvania — *Bachelor's of Science in Game Development / Computer Science*

January 2020 - December 2024

SKILLS:

Unity, Unreal Engine, Python, Java, C#, C++, MySQL, TypeScript, JavaScript, HTML, CSS, Git, AWS Services, Cisco Networking, Maya
